

Sipology Fundraiser happening now until April 27th to benefit GH's community outreach programs.

Jennifer Dale is running a fundraiser as an Independent Consultant for Sipology by Steeped Tea.

Sipology is a family business that offers high-quality loose-leaf teas and wellness products. Not a tea drinker? They've got great gifts for everyone: Moms, Grads, Newlyweds, Housewarmings, you name it! At Sipology they don't just drink tea, they cook with it! You'll find seasonings, dips, and dressings, too.

Sipology was founded in 2007, and really took off in 2012 when its founder Tonia appeared on "The Dragon's Den" (the Canadian version of "Shark Tank") and swayed 2 of the Dragons to invest. Since then, they've been growing and growing.

One constant through all this growth is Sipology's commitment to the environment and the community. As members of the Ethical Tea Partnership, they strive to improve the lives of tea workers and tea farmers while at the same time improving environmental management systems to protect wildlife, soil, and water ecosystems. They have a commitment to mental health issues and participate in the international Bell Let's Talk Day. Sipology donates \$2 from every bag of tea from the Magic Tea line to the Crisis Text Line.

Here is how the fundraiser works:

- Visit Jennifer's site at <http://www.sipology.com/jenniferdale>
- Click Events in the upper right (by her picture) and choose Golden Hill Fundraiser to begin shopping
- Your order will be delivered directly to you, no need to arrange a pickup at the church

20% of sales from this event (pre-tax and shipping) will benefit Golden Hill and all the great work we do! This is an online event open to everyone in the continental US and runs through Tuesday April 27, 2021.

If you have questions, please feel free to email Jennifer at [jendalesells@att.net](mailto:jendalesells@att.net) or check out this video: [https://youtu.be/JQzmpz\\_zbs](https://youtu.be/JQzmpz_zbs).
