Weekenders Back Pack Program: And that's a wrap! Working together, we have successfully filled 30-some backpacks each week for children who are food insecure. I see students getting similar food distributions at my school each Friday and it is very apparent just how much it means to them. None of this would be possible without all of your contributions of items for the backpacks and the time that it takes to pack them. Enjoy your summer! If you happen to see one of our regular items on sale this summer, feel free to pick things up. It will be September before you know it and we will be sending backpacks home again.

BACK PACKERS: We would like to thank our Back Packing Volunteers for their hours of service this year in packing the back packs for the students.

While it is summer and we will not be packing backpacks until fall, **here is the list of items we typically include** in them. **If you happen to see any of these items on sale this summer and would like to pick up a few, which would be wonderful -**
